

# Stuttering Group

## *Growing Through Friendships—Ages 8-10*

- Does your child stutter?
- Does he/she feel isolated or alone because of stuttering?
- Has he/she been bullied?
- Does your child worry about or avoid social situations?

**If you said yes to any of these questions  
the Stuttering Group may be perfect for your child!**

### **Activities:**

- Form positive relationships with others who stutter
- Share experiences with stuttering
- Talk about bullying and come up with solutions

**Space is limited to small group size. Get on the pre-registration list!**
